Agenda 8 To consider and approve the disposition of the ordinary shares of Finansia Syrus Securities Public Company Limited which is a disposition of assets transaction and connected transaction of the Company

The MC reported to the Meeting that since the Company is a listed company on the Stock Exchange of Thailand (the "SET") without restrictions on foreign shareholding, it may risk becoming a foreign entity at any time that might affect the operation of the subsidiary of the Company. Therefore, the Company has considered the shareholding restructuring in Finansia Syrus Securities Public Company Limited ("FSS"), a subsidiary of the Company in which the Company holds 99.74 percent of the total number of shares sold of FSS, by disposition of 51.00 percent of the total number of shares sold of FSS to FST 1 Company Limited ("FST 1"), a subsidiary of the Company and a Thai juristic person which the Company has control through direct and indirect shareholding in FST 1. This shareholding restructuring aims to prevent business restrictions on FSS and enhance the opportunities for expanding the business scope of the Company's group in the future.

The disposition of shares in FSS is for a shareholding restructuring in FSS, whereby FSS remains a subsidiary under the Company's control through directly shareholding of 48.74 percent of the total number of shares sold of FSS and indirect shareholding in FST 1 of 51.00 percent of the total number of shares sold of FSS, resulting in the Company will retain voting rights in shareholders' meeting and the right to nominate directors in FSS.

In this regard, as of 21 March 2025, the date for determination of the names of shareholders who are entitled to attend the 2025 Annual General Meeting of Shareholders (Record Date), the Company has foreign shareholders proportion of 56.97 percent of the total number of shares sold of the Company.

The Board of Directors deemed it appropriate to propose to the Meeting to consider and approve the disposition of the ordinary shares of FSS amounting to 296,515,543 shares, with a par value of THB 1.60 per share, or equivalent to 51.00

percent of the total number of shares sold of FSS to FST 1, a subsidiary of the Company, at the purchase price of THB 4.7623 per share, with a total value of THB 1,412,095,970.43. (the “**Transaction of the Disposition of Shares of FSS**”) In this regard, after the completion of the Transaction of the Disposition of Shares of FSS, FSS will remain a subsidiary of the Company.

In this regard, the shareholding structure in FSS before and after the entry into the Transaction of the Disposition of Shares of FSS are as follows:

Remark * Indicating the shareholding proportion of Mr. Varah in FST 4, where Mr. Varah has voting rights equivalent to 4.94 percent of the total voting rights in FST 4.

Although the Transaction of the Disposition of Shares of FSS is an entry into the transaction with the subsidiary of the Company, such transaction is still considered as a disposition of assets transaction pursuant to the Notification of the Capital Market Supervisory Board No. TorChor. 20/2551 Re: Rules on Entering into Material Transactions Deemed as Acquisition or Disposal of Assets, dated 31 August 2008, (as amended) and the Notification of the Board of Governors of the Stock Exchange of Thailand Re: Disclosure of Information and Other Acts of Listed Companies Concerning the Acquisition and Disposition of Asset B.E. 2547, dated 29 October 2004, (as amended) (collectively, the “**Notifications on Acquisition and Disposition**”). Considering the transaction size calculated using various criteria under the Notifications on Acquisition or Disposition of Assets, the maximum value of the Transaction of the Disposition of Shares of FSS is equal to 34.91 percent calculated based on value of the net tangible assets criterion, which gives the highest transaction value according to the consolidated financial statements, which has been audited by a certified public accountant, for the accounting period ending 31 December 2024. In this regard, including other disposition of asset transactions within the past 6 months, prior to this transaction, the maximum value of transaction size is equal to 36.48 percent pursuant to the value of the net tangible assets criterion. Therefore, the Transaction of the Disposition of Shares of FSS is considered a type 2 transaction according to the Notifications on Acquisition and Disposition, where the transaction size is equal to 15 percent or more but not exceeding 50 percent.

Moreover, Mr. Varah Sucharitakul (“**Mr. Varah**”), the Company's director, is a shareholder of FST 1 by holding shares indirectly through FST 4 Company Limited (“**FST 4**”) amounting to 51 percent of the total number of shares sold of FST 4, whereby FST 4 holds shares in FST 3 Company Limited (“**FST 3**”), FST 2 Company Limited (“**FST 2**”) and FST 1 in the amount of 51 percent of the total number of shares sold of FST 3, FST 2 and FST 1, respectively. Mr. Varah holds subordinated preferred shares in FST 4, resulting in Mr. Varah will receive insignificant returns, i.e., the shareholder of the preferred share will be entitled to receive the dividends before the holder of the ordinary share at 2.15 percent per annum of the capital invested in FST 4 by the holder of the preferred share and the rights to receive the dividends of the holder of the preferred share will be cumulative. If the dividends are not paid in any calendar year, the unpaid amount will be carried forward to the following year. After paying dividends to the holder of the preferred share, if there are remaining dividends, the remaining dividends will be allocated to the holder of the ordinary share proportionate to their respective shareholding. In addition, the holder of the preferred share having no control over FST 4 as disclosed to the SET on 21 January 2025.

According to such shareholding structure of FST 1, it is a case that Mr. Varah, the Company's director, is an indirect major shareholder of FST 1. As a result, entering into the transaction with FST 1 is considered a connected transaction of the Company according to the Notification of the Capital Market Supervisory Board No. TorJor. 21/2551 Re: Rules on Connected Transactions (as amended), and the Notification of the Board of Governors of the Stock Exchange of Thailand Re: Disclosure of Information and Other Acts of Listed Companies Concerning the Connected Transactions, B.E. 2546 (2003) (as amended) (collectively, the “**Notifications on Connected Transactions**”). The size of this connected transaction is equivalent to 43.53 percent of the value of the net tangible asset (NTA) of the Company according to the Company's consolidated financial statements, which has been audited by a certified public accountant, for the accounting period ending 31 December 2024. When calculating the transaction size according to the criteria specified in the Notifications on Connected Transactions, it exceeds 3 percent of the net tangible asset of the Company, which is considered a large transaction. In this regard, when combining transaction size with other connected transactions with Mr. Varah within the past 6 months, prior to this transaction, the maximum value of transaction size is equal to 43.74 percent of the value of the net tangible asset (NTA).

Additionally, since FST 1 will pay the total consideration for the Transaction of the Disposition of Shares of FSS to the Company in the amount of THB 1,412,095,970.43 (the “**Share Consideration**”) upon the completion of a 15th anniversary from the transaction completion date. FST1 will also pay annual interest for the Share Consideration at a rate equal to the average of the Minimum Loan Rate (MLR) of commercial banks as of the commencement date of each interest period. The term "commercial banks" refers to Bangkok Bank Public Company Limited, Krung Thai Bank Public Company Limited, Kasikorn Bank Public Company Limited, and Siam Commercial Bank Public Company Limited. As of the date the Board of Directors approved the transaction, the average MLR of 4 commercial banks stands at 6.8813 percent per annum. When combining the principal and the estimated interest that the Company will receive from FST 1, the total amount is approximately 2,869,643,779.91 THB. The aforementioned 15-year payment period for the Share Consideration is based on an assessment of FST 1's revenue sources, capital expenditure, and FSS's ability to generate operating profits.

It is important to note that the aforementioned interest rate is an estimate prepared for the purpose of calculating the transaction size and providing information for shareholders' consideration, whereby FST 1 agrees to pledge 296,515,543 ordinary shares of FSS to the Company as collateral. (the “**Payment of Consideration for the Transaction of the Disposition of Shares of FSS**”). Such Payment of Consideration for the Transaction of the Disposition of Shares of FSS is considered a transaction providing financial support to a connected person (the “**Transaction Providing Financial support to FST 1**”) with the transaction size equal to 88.46 percent of the value of the net tangible asset (NTA) of the Company according to

the Company's consolidated financial statements, which has been audited by a certified public accountant, for the accounting period ending 31 December 2024, which exceeds 3 percent of the value of the net tangible assets of the Company and considered a large transaction. The Company and its subsidiaries have no other connected transactions with FST 1 within the past 6 months prior to the date of approval of the transaction by the Board of Directors.

Therefore, the Company is required to disclose information memorandum regarding the entry into the transaction to the SET, appoint an independent financial advisor (IFA), as well as convening the shareholders' meeting of the Company to approve the entry into the transaction with a vote of not less than three-fourths of the total number of votes from shareholders who attend the meeting and having the right to vote, excluding the votes of shareholders having interests in vote counting pursuant to the Notifications on Connected Transactions.

Since the Company is required to appoint an independent financial advisor (IFA) and convene the shareholders' meeting of the Company to consider and approve the connected transaction. Therefore, the Company deems it appropriate to appoint an independent financial advisor (IFA) to provide opinion on the asset disposition transaction to the Company's shareholders, and propose such matter to the shareholders' meeting of the Company to consider and approve the asset disposition transaction with a vote of not less than three-fourths of the total votes of the shareholders attending the meeting and having the right to vote, excluding the votes of shareholders having interests in vote counting, as if the Transaction of the Disposition of Shares of FSS fall under type 1 transaction, the size of transaction that equivalent to or more than 50 percent but not exceeding 100 percent pursuant to the criteria stipulated in the Notifications on Acquisition and Disposition, simultaneously.

In addition, the Transaction of the Disposition of Shares of FSS is considered the sale or transfer of a significant part of the company's business to other persons, which the Company is required to obtain approval from the shareholders' meeting with a vote of not less than three-fourths of the total number of votes from shareholders who attend the meeting and having the right to vote pursuant to Section 107 of the Public Limited Company Act.

Additionally, the Board of Directors considered and deemed it appropriate to propose to the Meeting to consider and approve the assignment to the Chief Executive Officer and/or a person assigned by the Chief Executive Officer to have the authority to undertake any other necessary actions and related to the Transaction of the Disposition of Shares of FSS in order to complete the Transaction of the Disposition of Shares of FSS.

In this regard, the details of the Transaction of the Disposition of Shares of FSS appeared in the Information Memorandum regarding the disposition of assets transaction and connected transaction of Finansia X Public Company Limited (List 2) (Enclosure 5) and the opinion of the independent financial advisor regarding the disposition of assets transaction and connected transaction of Finansia X Public Company Limited in QR Code format (Enclosure 6).
